

Screwcaps 30x60

TECHNICAL SPECIFICATION

30*60MM Closure is a reliable closure solution, The screwcaps can be personalised with a variety of decoration techniques to meet the customer's brand and marketing requirements. They have no impact on the organoleptic qualities of the wine, avoiding oxidation and the so-called 'cork taint'. screwcaps make the bottle easier to open and to re-seal, maintaining the quality and the taste of the wine for longer.
